Love Where you Live and Learn

On November 10th the Students lead a Remembrance Day Assembly to mark Armistice and honour Canadian military veterans for their service. The student council put the assembly together which was MC'd by Benji and Desi in Ms. Deane's class. There were two poetry readings; one by Katie and Tenleigh and another of *In Flanders Fields* read by Charlotte, Aubrey, Addison, and Arianna in Ms. Gibson's class. Students also laid wreaths and flags, observed a 2 minute silence, and watched video clips to commemorate the occasion. Aaliyah Johnson choreographed a beautiful and moving dance to *Imagine* by John Lennon. Well done Sea View students for putting on such a beautiful assembly for Remembrance Day and thank you to all Canadian Service Personnel. Lest We Forget!
