### SD85 School District Elementary Counselling Services

Hello, Parents!

Just wanted you to know that school counselling services are available to all students. If your child is having some struggles due to social/emotional issues (such as anxiety, loss/grief, divorce or other family issues, friendship problems, or other challenges), please feel free to request a school counselling referral form. You may wish to discuss your concerns with your child's teacher, the principal, or myself, first (see my contact info below).

I will be at Sea View School every other Friday, this year. (I provide school counselling for all the elementary schools in our school district.)

If you would like to contact me, you can email [ahagen@sd85.bc.ca](mailto:ahagen@sd85.bc.ca) , or text me at 250-230-7711, to set up a time to talk. Let me know if I can help you with any school counselling concerns, support resources, or assistance accessing other counselling services such as Child & Youth Mental Health (CYMH) or North Island Crisis & Counselling Centre (NICCC).

I hope that you and your child have a successful and enjoyable school year!

Kind regards, Angela Hagen
