

SEA VIEW UPDATE

LOOKING FORWARD
TO THE WEEK OF
JAN 17-21

HEADS UP!

Thursday, January 20th—Inside out and backwards day— We encourage students to come to school with inside out and backwards clothing. We look forward to seeing the creativity that students and parents showcase.

Love where you live and learn

Mr. Tanners class went to Lion's park to gather rocks for our aquarium. Our school will be participating in the Stream to Sea program and we are excited to receive the eggs next week.
