March is National Nutrition Month students are encouraged to bring water bottles to school every day to support a healthy lifestyle. The class that brings water in the most will win a special treat.

Covid rapid tests will be going home with students on Wednesday. If you do not wish these to be sent home with your child please contact the school to make arrangements for pick-up.

We are looking for volunteers to help with our breakfast club. If you would be interested in volunteering please contact Jackie Peterson.

Love where you live and learn

For one of our Two's day activities we challenged students to count how many of the paper 2's were taped outside. Many students were very close however Tenleigh and Zoey were the closest. They guessed 203 and the correct number was 208. They both received a gift card to the Foggy Mountain Coffee Shop.

Please make sure to complete the daily health check each day. We want to ensure our whole school community stays safe.
