April 19th, 2022

Dear Parent/Guardian,

We're excited to launch our PAC sponsored whole-school book club today. Enclosed in this package is a copy of the book, *Song for a Whale*, optional trivia questions, and a bookmark. We ask that you sit down with your child(ren) and read this novel together, following the schedule. For those who fall behind, we will have an audiobook available for students to listen to at the school.

On your bookmark there is a reading schedule, please do not read too far ahead as we would like everyone to be at the same starting point each week. Your child will be invited to answer trivia questions each week for a chance to be entered in a weekly draw. This is optional and your child can choose how many of the trivia questions to answer (each trivia question answered earns one entry into the weekly draws. As well, in class there may be various activities which discuss or explore the book further.

If you have any questions, please feel free to reach out to me at jpeterson@sd85.bc.ca, or by calling the school.

Warm regards,

Mrs. Jackie Peterson
